

2021 Neekoo Sponsorship Opportunity

Year 2020 was a strenuous year for all of us and we were all impacted one way or another. Despite the hardships and challenges, you came through once again with your generosity and support of Neekoo's mission to help our students with their financial burdens. With your help we were able to raise \$125,000, giving grants to 27 students who desperately needed it in order to continue their education.

We kindly ask for your support once again. Due to the continued devastating impact of COVID-19 on a global scale, the students in our community desperately need our help.

About Neekoo

Neekoo philanthropic Society is a registered not-for-profit society founded by a group of Iranian professionals in 2012 living in Vancouver with a goal of raising funds to assist deserving post-secondary students of Iranian heritage in need of financial support to pursue their dreams. These students are required to be registered in an established BC educational institution as well as able to demonstrate that they need financial assistance.

Our Vision

Neekoo Philanthropic Society began as an idea, a dream, a hope. Our vision in establishing Neekoo has been to organize an event once a year to bring our community together. From there, we hope to help the younger generation who could use a helping hand to succeed in their dreams and enable them to pursue their passion by providing them with financial assistance as well as mentorship.

Neekoo, as the word means, is rooted in the vision: to provide goodness and guidance. Our vision for Neekoo is to create a new culture of giving and to teach the youth the ultimate gift of compassion, humanity and contribution. It is through these sorts of initiatives that we aim to continue to expand the circle of love and human kindness.
