

12th Annual Neekoo Gala
Saturday, April 6th, 2024 - 6:00pm
Fairmont Pacific Rim, Vancouver

Neekoo Philanthropic Society, founded in 2012 by a group of Iranian professionals in Vancouver, is a registered not-for-profit society with a mission to raise funds and support financially disadvantaged post-secondary students in pursuing their dreams. To be eligible for assistance, students must be enrolled in a recognized British Columbia educational institution and demonstrate financial need.

We are excited to announce the 12th Annual Neekoo Gala, “**Ignite a Light**”, a fundraising event dedicated to benefiting deserving students of Iranian heritage in British Columbia. This event serves as a networking opportunity for attendees while focusing on our main goal of fundraising for the Neekoo Grant Program. We believe that by reconnecting with one another, we can collectively make a life-changing impact on the lives of our students.

Last year, thanks to the generous contributions of individuals like you, we successfully raised **\$288,000.00 net**, providing educational grants to **52 deserving students**. We invite you to join us once again to continue providing support and financial assistance to our deserving students.

Together, we can make a difference in their educational journey.
